**“RED RIBBON WEEK® COMMUNITY CELEBRATION”**

The Community Action for Safe Teens Coalition is bringing the Souhegan Valley community together to showcase our Youth and Family serving agencies and/or organizations, which strengthen Souhegan Valley and help to keep youth healthy, safe, and drug and alcohol free. The event is scheduled at the end of Red Ribbon Week®, the nation’s oldest and largest drug prevention program.

**We hope you will plan to join us and provide a youth and/or family friendly activity during this event. Help us create awareness about all the positive opportunities for young people in our community!**

This is a free event for everyone! If you would like to reserve your *free* space, please complete the attached registration and return it to Susan Drew at [sdrew@milford.nh.gov](mailto:sdrew@milford.nh.gov)
